“ *I am sorry to learn that Betty has left us. I worked with her at Kennestone Hospital many years ago and can honestly say she was one of the sweetest people I have known. It was a pleasure working with and knowing her. She had a great sense of humor and was always caring.*

“ *Aunt Betty as I knew and called her, was one amazing lady. She is the epitome of a true Southern Lady. Her fried okra and creamed corn were the best ever, and I feasted on them both many times. She was classy yet humble, with manners second to none. Her care and concern for all those around her touched many, let alone me. She has left an indelible mark on all who knew and associated with her. Her legacy will stand forever. She truly lit up the lives of those around her. Rest in peace AB, I love you dearly.*

“ There has never been a time for me that Betty was not a part of my family. She is a "sister" without the "official" birth certificate, as well as a friend. She was the best! She will leave a void in my heart that can never be filled. She was a great cook, a member of the choir for many years, worked at the hospital, & good mother. I remember all the family occasions ie: Easters, Christmas, weddings, baby showers, & yes, funerals . I appreciate the care she gave to my brother, Dean, Jr, the love of her life. She has visited with Perry & the rest of her familie(s) on the streets of gold in heaven. Most of all, she has looked her Savior in HIS face & heard the words "Well done, my good & faithful servant."
