“ *I just received word of the passing of Mrs. Betty. I had the priviledge of meeting her and Clarence from Dr. Hermoni's office. Whenever I saw Mrs. Betty she always put a smile on my face. She was such a sweet, and loving woman. I know I will miss seeing her beatiful face come through the office door. Clarence, Please take care of yourself during this difficult time. Mrs. Betty always worried about you so I'm sure she is worried about you at this difficult time. Don't worry about her she is in a good place and having a good time. She will be missed. Call us if you need anything.##imported-begin##leigh mccullough##imported-end##*
