“ *To all the family of Jane, my heartfelt condolence her passing away. She was a very nice person, she was a soft spoken woman and very friendly to me though we had a short time together, and we became friends thru Donny when I was there in Georgia sometime in 2003. She had taught me how to quilt and I owe her a lot of that talent I have right now. I will miss her very much and my prayers for her peace and happiness in her new and better place.*

I am really very very sad to hear about that. Again please accept my condolence and my warm regards to all of you especially to Sandy.

Very sincerely,

“ "Those we hold most dear never truly leave us. They live on in the
kindness they showed and the love they brought into our lives". I
pray that the Lord gives your family strength during this most difficult
time. Jane was a wonderful friend and sister in law. I feel like she
and I grew up together. She could tell the most wonderful stories
ever! Please know I am here if you ever need me.

My heart is so heavy for you and your amazing family! "Ms Jane" was very dear to me and my kids, too! She will be missed here, and yet I am happy that she is finally resting in the arms of her Savior and is reunited with Joe.

“ To the Blackstock and Mauldin families, but especially to Karen and Sandy ...for the last several daya, I've been in awe of your mother's courage and never-failing optimism in the face of her heart-wrenching battle. Her determination never waivered and was a demonstration of courage and character. I've also been witness to the depth of the love her daughters have shown for their mother; the three of you were, are, brave, brave women. I shall miss my friend Jane very much.###imported-begin###Nan Harman_Dempsey###imported-end##
