“ *I am gonna miss your mom so much because she was very special to all of us here at Dogwood Forest. We were very privileged to share her life while she was here. My prayers are with you Brenda and Brad. I will leave you with words that I read somewhere after my mother died that "to live in our hearts, is not to die." Farewell Betty we shall surely meet again.##imported-begin##Essie Waithaka##imported-end##*
