“ Betty was one of the sweetest ladies I have ever met. She was a bright light in my mom's life when they got to visit each other. Mother considered her to be a sister. Donna you have been precious in taking care of your mom along with your family. Thanks for the visits you made with mother, Bernice Thomason, and the love you both showed to her. They both are now in Heaven rejoicing and laughing together along with Polly. Our loss but Heaven's gain. Praying for you all.

“ One of the greatest things about marrying into the Albertson family is having the privilege of meeting and loving such a fine lady as Betty. I will always remember her sweet smile and her graceful disposition. Prayers for the whole family.
