“ In 2018 we moved into the Windermere and shortly afterward Joe and Betty moved in the house next door. We quickly made friends with them and loved going over to visit them. Betty was a unique person, one look at her smile and engaging face and you just loved her. She was bright and articulate until the day she died, she always had a heart filled with the love of Jesus and we are already missing her greatly.

When a Godly person like Betty dies I grieve not for her but for those of us who loved her and who will miss her so much. Betty is where she always knew she would be, at home with her Lord.

Now we pray for Joe and how he will find that such a huge empty hole in his life has opened up. Joe, we love you and want to be here for you in any way possible.

Joe, this is Sherry, Sybil's sister. I was so sad to hear of Betty's home-going! Even though our acquaintance was brief, I loved her! She was precious. I will be praying for you and your family as you grieve your loss of sweet Betty! May God Bless each of you and wrap you in His loving arms. ❤️ Sherry
