

Mrs. Beverly B. Hill

January 21, 1937 - June 22, 2021

Beverly joined the love of her life, Herman in Heaven on June 22, 2021 after battling an exhausting illness. She was surrounded by loved ones at the time of her death. She most recently lived in Ball Ground, Georgia but lived in Savannah, Georgia for the past 19 years and previously lived in Summerfield, North Carolina for 35 years.

Beverly was born January 21st, 1937 in Birmingham, AL. to the late Lucy Belle and Claude Bradford. She grew up in Birmingham, AL, Savannah, GA and Columbia SC where she was blessed to be raised by a loving Grandmother, Aunts and Uncles.

In High School, Beverly was an outstanding basketball player and was the Eau Claire High School Homecoming Queen in Columbia, SC. While attending Columbia College, she met her future husband, Herman Hill. They enjoyed a marriage of 61 years, raised 3 children, and shared a love of horses, USC Gamecocks, travel, friends and most of all family.

Beverly led a life of service to her community and church. She was a Sunday school teacher at Oak Ridge Methodist church, Brownie Troop Leader, Jaycette member and PTA President at Summerfield Elementary School. She was an avid equestrian and all-around horse lover who bred, raised, sold, rode and showed Quarter horses for over 30 years. Beverly was a member of the Piedmont Saddle Club, Sedgefield Hunt Club and served on the organization committee for the Oak Ridge Horse Show for many years. The culmination of her horse career was a 16-year stint as the Treasurer of the

North Carolina Quarter Horse Association. During her tenure with the NCQHA, she received the Charlie Miller award in 1988 the President's award in 1986 and 1997 and was inducted into NCQHA Hall of Fame in 1999. Beverly was an enthusiastic bridge player and passed her competitive nature and love of playing the family card game 'Liverpool Rummy' to her children and grandchildren, who play marathon games to this day. She was an excellent swimmer and water skier, enjoyed gardening, growing roses, decorating and celebrating the Holidays, traveling with her husband and friends as well as spending time with her grandchildren. You always knew where you stood with Beverly. She was a woman of fortitude and strength and to say she was strong willed would be an understatement. “ *I met the Hill family when I was in the 3rd grade, around 1968. Stephen and I became friends pretty quickly. It wasn't very long until they were like a second family to me. On sleepovers and times I would visit and hang out with Stephen, Herman and Beverly would keep me in line just like my own parents would.... especially Beverly. She didn't pull any punches. But the memories of the love and hospitality will be with me always. Stephen became, and still is, a brother to me. Dawn and Paige, although like sisters to me, I always thought of them as the hotties, yet classy Ladies that they are. The Hill family has enriched my life through the giving of themselves and allowing me to be a part of theirs, even after I was married and had my own family.... I could write a book about it. Thank you Beverly and Herman. I have comfort in knowing that our Lord made a way that it doesn't end here and I will see you again. All my love to Dawn, Stephen and Paige and their families, from Chelle and I, and our family. ❤️*

“ *Our family has many fond memories with the Hill family! I cant imagine my childhood without them. I hope we all carry some of those precious memories of the time our families spent together because they will certainly make you smile! May you all find comfort and peace that she no longer struggles with illness.*
