“ *I met Bev when I became the Pruvate Banker at Winters Chapel Rd at Trust Company/Suntrust. We became fast friends and I enjoyed every time I'd see Bev. She was very smart, funny, kind, loved loved loved her family and friends. Then I got to meet Merle and what a wonderful couple! I always remembered when Bev went thru her breast cancer and how strong she was with great slth and a true belief that it was just a stepping stone in her life. That advise was so very important to me when I went thru breast cancer 10 years ago! I hated that we lost touch but am so happy to know she's at peace in heaven with all those she loved!*

“ *May memories of your mother grow sweeter and blossom over time. You were truly blessed to have such a loving and yet strong mother who was a beautiful person inside and out. The best tribute any of us could do to honor her is to have deep faith in God and enjoy each and every day to the fullest as she did.*

“ From the first day I entered the family, I was made to feel as a daughter, not just a daughter-in-law. Her love was unconditional. Mom always had a sparkle in her eye and a smile for everyone. There were no strangers in Mom's world. Everyone she met became a friend.

“ I will always cherish the wonderful years I had working with and enjoying my good Friend Beverly. Beverly not only taught me a lot, but helped me enjoy life more. We shared a lot of great times and laughs together over the years in Florida, New York and Atlanta. Not only was Bev one of the kindest woman I had ever met, she was the most devoted and caring mother. I regret not seeing Bev in recent years, but I have never stopped missing the fun time we shared. The smile in this picture says it all, we have lost a wonderful friend and mother. Thanks for sharing your mother with me.
