“ A “unique original”, that special Bev. I'd call her “Brooke Farm's Martha Stewart” and she'd smile her beautiful smile and laugh her contagious laugh. She was skilled at everything she tried. Bev was an amazing cook and baker; wonderful hostess; artistic flower arranger; and appreciated a good glass of wine.

We loved hearing about her beautiful family and watching her “grands” grow up and have children of their own. Her life with Bill and being matriarch of her large family were her most cherished roles. Bev and Bill lived lives filled with adventure, travel and love. We feel grateful and blessed to have shared many years together as neighbors and friends in Littlebrooke.

Our heartfelt sympathy to Bill and to all of Bev's beautiful family. We are so saddened to hear of her passing.

“ My heart is aching, but so full of wonderful memories of time with Bev - (and Bill). The "girl" time at the cabin and fun in Highlands, the wonderful (and always interesting) food she always served, the joy of hearing about the grandchildren - and greats. There is no one who could come close to the dedication this woman had to her family, and know the family continues her love. She will be so missed.

“ *Dear Bill & Family--our heartfelt thoughts and prayers go out to you. There are so many memories of our times together...the cabin in Highlands...the quiet dinners in Littlebrooke...the many visits over the years as you progressed in your career from Cincinnati to New York to Florida to Colorado...our times at U.D. and ROTC...the Bloodies & Bagels holiday parties...the family gatherings. We all develop friends in life, some casual, some temporary, some in business but only a few of these friends become lifelong, dear, cherished friends. That is what Bill and Bev and family represents to us. It's been 60 years that we have been a part of each other's lives. We have enjoyed every minute of it. Bev has fulfilled her purpose in life and is now free to experience Eternity. She was a beautiful person. We will miss the smile, the ready wit, the caring manner. But her blood courses through the veins on the children, grand and great grandchildren so she will always be with us. Love, Bill & Patty Clarke & Family*
