“ *Bill was a brother and friend and his life observations and wit were just wonderful. Do you remember his famous hotdog diet? He was always ready to help too. And I know, somewhere in heaven, Bill is hosting a hotdog roast for every one to enjoy. Godspeed Bill Hall.*

“ *I worked with Bill for over 7 years. From the first day I met Bill he made me laugh with his jokes. I loved hearing his stories of his Bike ride experiences and journeys. You will be truly missed, my friend. My prayers and thoughts are with his family. Carol Nowell*

“ *Bill was my friend. Between us there was a lot of laughter and mutual understanding. I will miss the witty little things he'd say, so candidly. I can smile right now just thinking of some of the humorous things he would do. Along with many in the office, I will miss his presence and his voice. He was a good person and a good friend.*

*My deepest condolences to his mother and his family for your loss. Our sympathies & prayers are with you, for your peace and comfort during this trying time.*

*Sincerely,  
I. Lynch*

“ Where do I start? So many emotions Billy. So saddened to hear this news. You were family and such a dear friend to me. Always having my back. 10 years of friendship. All of our laughs and 5 min not so min long breaks so we would not punch someone in the throat lol. You were the first one to know I was not coming back. You will never be forgotten and will be truly missed. Love you Billy!

“ Bill was not just one of my coworkers for many years but one of my best friends. It is still so hard to believe. I will miss him so much. I will miss the jokes and how he always made me laugh. I will miss how caring he was and was always there if you needed him. Everyone at MicroBilt loves Bill. He was family. Our hearts are broken. Praying for the family.
