

## Bo Berry

October 3, 1940 - January 31, 2013

Bo Berry of Alpharetta passed away Thursday January 31. Bo was the beloved husband of Becky and loving and proud father of Alex, Suzanne, and Kennedy. Bo was born in Florence, SC and grew up in Armonk, NY. He attended Clemson University in SC and graduated from Pace University in New York City. Bo had a career in the computer business for 50 years. He started out in marketing at IBM and moved on to one of the first software companies, Pansophic Systems, in the early 70's. Bo was such a skilled salesman that competitors taught classes in how to sell against him. Bo continued to work for leading edge software companies until his retirement. However, Bo considered his relationship with his wife, Becky, and 3 children, Alex, Suzanne, and Kennedy, as his most important achievement. He was their biggest cheerleader. He delighted in their triumphs and supported them whenever they needed it. Bo was a gifted listener.

Services for Bo will be held at 11:00am on Saturday, February 9, 2013 at Northside Chapel Funeral Directors in Roswell. [www.northsidechapel.com](http://www.northsidechapel.com). In lieu of flowers, the family requests that donations be made in Bo's name to STAR House Foundation in Roswell, Georgia. [www.starhousefoundation.org](http://www.starhousefoundation.org).

“ *Becky, Alex, Suzanne and Kennedy our hearts go out to you in this time of loss of a great husband, father and role model to so many of us who have known and worked with Bo.*

*I had the unique opportunity to know Bo from s. Aidan's church, from many work opportunities over the years and also as a fellow parent and scouting supporter and outdoor lover from the first night in my home as a tiger parent many years ago...*

*I could go on and on about Bo's moral fiber and humor and advice as the older parent who made many gentle yet humorous nuggets of wisdom for us 'youngens' as he called us.*

*I remember he used to say that he was "older than dirt, and wiser than the trees"! And he was often right on both accounts.*

*Those who met him loved him. And for good reason.*

“ Becky and family,  
I am so sorry for your loss and our prayers are will you.

*Being in Scouting with Bo and Kennedy left some great memories for me and the other members of Den 8, Shark Patrol. I will never forget camping with the "guys" in Bo's "backyard". That and spending time with the Berry's during those years will always be fond memories.*

“ One thing I can say is that Bo always had a great disposition even in the face of adversity, he was tenacious and very committed. I not only knew Bo as an employee at SOAdesk and Cicero, but I also knew him from the Military Vehicle hobby as well. He is also the one who turned me on to Lee Childs' "Jack Reacher" books many years ago before they were so popular. When I first met Bo he was working on an old army truck with his son Ken as a father and son project.##imported-begin##Tony Castagno##imported-end##
