

Ms. Bonnie S. Blosat

December 17, 1940 - June 22, 2019

Bonnie Tubridy Solan Blosat, 78, passed away at home in Roswell, GA on Saturday June 22, surrounded by family, after a 14-year battle with Thyroid Cancer.

Born December 17, 1940 to the late Dorothy and Joseph Tubridy of Willimantic, CT., Mom received a BA from Newton College of the Sacred Heart and an MS from Southern Connecticut State University. She practiced real estate for two decades in Connecticut, California, and Georgia.

Mom loved cooking and leaves behind a library of annotated cookbooks and recipes, as well as an unresolved argument with her son about the proper way to prepare Chicken Milanese. Like her father before her, she sent mailings to her family almost weekly—newspaper clippings, magazine articles, recipes, and cartoons, usually with a Post-it covered in exclamation points written in purple pen. Endowed with a fiercely competitive spirit, she loved Jeopardy, shouted out the answers and was usually right. Then again, her daughter notes, even when she was wrong...she was right. A funny and classy woman, she wasn't afraid to show her middle finger to those she thought needed it. The people in her life will always remember her politically incorrect humor, her love of the color teal, her pleasure in beating her broker in the market, her fast wit and her faster driving.

We're proud of Mom for her commitment to learning about and fighting her diagnosis, both for herself and for others. She was an Admin of a group for REI Resistant Thyroid Cancer, where she shared her experiences, nurtured

other patients, and was nurtured in turn. She was tireless in pursuit of the newest treatments and shared her knowledge, humor, and hope with members nationally and around the world.

She is survived by her partner Dan Marcinkowski, whom she called "my superhero," and whose care and devotion were endless; her son Mark Solan of New York City; daughter Tracy Solan and her husband Dave Phillips of Chardon, OH; and stepson Brad Blosat and his wife Sarah of Ridgefield, CT. She is also survived by her sister Karen Tubridy of New York City; her brother Kevin Tubridy and his wife Betsy of Pomfret, CT; her former husband Jack Solan of Naples, FL; and was pre-deceased by her husband Bruce Blosat. Her family will remember her in a private memorial service. In lieu of flowers, donations can be made to Hospice Atlanta, 5775 Glenridge Dr NE, Suite E200, Atlanta GA 30328.

We miss her already.

Mom, the salad goes on top of the chicken.

“ *Oh my dear Bonnie, my vacation buddy. I love you do. We had so many wonderful, memorable times together. We laughed, had great discussions. I can still see you climbing the stairs in Venice, toting two bags. Tipping a little backward - we laughed. All the conversations we had about everything. When Rick was in the hospital, you were there to support us both. Bottom line, I love you to the Moon and Back and I'm grateful we were in each others lives. Love Ginny*

“ *Bonnie was my suitemate & mentor at Coldwell Banker. I have such wonderful memories of all our conversations on real estate, finances & relationships. She always made herself available to answer any stupid question that I posed to her. She was a true professional and lovely lady. Her quick wit and sense of humor was so refreshing. I will miss you my friend and pray that you are now resting in peace.*

My love & deepest sympathies to the family.

Love, Judy

“ Bonnie- I will always remember your kindness, warm smile and supportive encouragement of me and my grandchildren. I also still remember those delicious chocolate chip cookies you made for one of your homes on Caravan! I also remember the the care and meals you prepared for one of our fellow Realtors, though you were ill yourself. Thanks for all the love, it will forever be a part of my life.

“ It is so hard for the two of us, living so far away, to grasp that she is really gone. We shared so many years of memoriesmostly really good,...some sad. She was a complex,person with many facets to her personality. A wonderful combination of seriousness and fun with an engaging way about her. She was bright and funny and warm and very unique. She had a natural dignity. We always liked this picture of her. Relaxed, smiling, and content ,enjoying herself.

We'll see you on the other side Bonnie .

Love,
Judy & Bob

“ Bonnie,
I love you and will miss you dearly. What great times we had in FL chatting celebrating everything we could think about. Dan was so good to us ladies bringing us bloody Marys and appetizers on the beach. You brought sunshine into my life and I looked forward to spending time together. I was so looking forward to our getting together in Hilton head now that I live in SC. Put in a good word for me now that you are in Heaven. I look forward to seeing you again.
Love, Janet

“ Dear Bonnie,
*Both Dave and I will miss you friend of ours. Our long girlie talks about life and the inevitable will stay with me forever; we could really laugh about nonsense. Dan was a wonderful guy friend, “hero,” Care-giver and all things good. Oh don't worry we will look after him. Your fabulous Family Bonnie friend what can I say? Angels who loved you and nary a whine or complaint only caring and hoping. You were a grand hostess too and I doubt I ever said that to you. Are you listening?
Ok I am almost finished here. As you would no doubt remind me if you could about now. I can hear you, “ok Lynda enough I get it.”
You were loved,
Lynda and Dave*
