“ Brad and I went to elementary school together and were both in Miss Pavlik's third-grade class at Highcrest Elementary School in Wilmette. I'll always remember him as the red-headed kid who sat in the last row because the teacher sat everyone in alphabetical order. She also handed out report cards in elementary order too. One time I felt sorry for myself because my last name begins with the letter S, meaning that I had to wait. Then I looked over at Brad sitting a few seats behind me and thought "Poor Brad Zuber. He has to wait longer because he's all the way in the Zs. We messaged each other briefly on facebook, and I was always impressed with how kind he was, how much of a gentleman he was and how much he loved your mother and his family. He struck me as being a one-of-a-kind gentleman and may he rest-in-peace. I am so sorry.

“ I just found out about Mr. Zuber's passing. I never met him, only saw him during drop off at FAST. There was always something so warm and pleasant about his always smiling face. He seemed like such a wonderful person. I'm very sad for the family's loss and that I never had the honor of meeting him. Sending lots of care from our hearts. Jan and my 3 FAST Astros.

“ When I moved to Georgia in 2020, Brad was one of the most welcoming individuals I had the pleasure of meeting. A stranger, who eventually became my friend. I always arrived to work early, but no one was there earlier than Brad. I would call out to him, "Morning Brad" and he would respond, "Morning Leslie!", both of us there trying to get ahead of the days work. If I ever needed anything, Brad would drop what he was doing to help me and I hope he realized that I would do the same for him. Brad was down to earth, genuine and had a wonderful smile and sense of humor. I always admired him and I will miss him dearly. My love and prayers to Judy, his children, grandchildren and extended family. - Leslie

“ *Brad was a bright ray of sunshine. I recall stepping into his office on several occasions to ask a question, etc. He always smiled, and never acted too busy to give you his full attention. Brad had a million things to do, but he never made me feel like I was bothering him. I will always remember his kind soul and gentle spirit. People like Brad are a rarity. I feel blessed to have had the pleasure of knowing him. Thank you, God 🙏*

“ So sad to hear the news of Brad’s passing. Brad and I were good friends back in the day. Although we lost touch for many years, I have very fond memories of our friendship and time spent together when we were kids. He was always upbeat, fun, and a loyal friend. Everyone who knew him liked him. That says a lot. I am sending my warmest condolences to Judy and the children and grandchildren, as well as to Andrea and family. May his memory be blessed for eternity, and serve as an inspiration to the entire family.
