“ Our family is so sad to hear this! My daughter loved him being her carpool officer at ICOSA. Every morning we would roll down the window and my daughter would shout, "thank you for keeping us safe" and in return he would say, "your welcome and have a nice day!". We can only imagine how special he was to his family and we are sorry for your loss!

“ Brad was always so full of life wanted to make everyone happy and smile especially his wife, Janice. The love they shared was a very special and genuine love that you could see when you were around them. I am happy for the time they were able to share and the memories they were able to make together. RIP Brad

I knew Brad way back from Coconut Creek High School. While we didn't keep in touch after high school I have great memories of Brad when we were teens! From what I've read about Brad online he lived an amazing life and was a great father. My thoughts are with his family.
