“ *We will always remember Brady (and the rest of the Hollingsworths) caring for dogs, puppies, and litters of newborn pups as well as shooting hoops outside, always happy to let my younger kids play along. We pray for Brady's peace and comfort, knowing that Cindy has lovingly welcomed him in her loving embrace as he crossed their own rainbow bridge. We pray for the entire Hollingsworth family as they love each other through this time of grieving. We are here for you....The Campbell Family - Mike, Michelle, Damian, Nina & Grant (and our pups too) - from the old 'hood :)*

“ *There are a lot of puppies in loving homes because of his love of these little ones. The times I saw Brady and his brothers, holding and playing with the litters that the family fostered for Angels. There are so many lives that he touched and never really knew it. I know there had to be a crowd of dogs waiting for him at the bridge as he crossed and he is probably cuddling a puppy right now...*
