“ *I worked with Brandon for a brief period and was always so impressed with his talents and genuine positive character and passion. I'm so sad to hear of his passing. He made a positive impact on me and many others. I'm thankful to have known him. My thoughts are with his family. — Marshall*

“ *It was a wintery weekend, and a chilly Monday.
It is a cold morning, It was a beautiful yesterday.*

*I was happy to help you onboard to Citi.
And we were able to meet at the Atlanta facility.*

*You were there at my very first Tech Exchange.
You found me twice to interchange.*

*They had us answer all sorts of confessions.
You told me don't be afraid to ask questions.*

*And now I stand with teary eyes,
Your tired body as it lies.*

*And now my mind reviews the past.
The train of memories we share went fast.*

*Now I ride the train, and part of my mind enjoys the view.
The other part of my mind stays with you.*
