“ I am so very sorry to hear the news of Brantley's passing. I had the pleasure of serving as his insurance agent, and he was truly one of my favorite clients. I always knew him to be a man of integrity and a man of his word. He was always eager to lend a helping hand to others when it was needed. I will miss him, but I also know he was a man of faith and is sitting with our Lord Jesus Christ right now. I hope this knowledge brings some comfort to his family.##imported-begin##Anna McManus##imported-end##

“ I was extremely saddened when I received the news of Brantley's passing. I played football with Brantley and worked with him during the summers at Captial Materials. He always made me laugh when we worked together and even though it's been a while since I have seen him, my heart hurts thinking that he is no longer with us. I will pray that God comforts your family in a way that only He can.

*Respectfully,*

*Reginald Hartwell*
