

## Mr. Brian C. Pressnall

October 20, 1970 - January 25, 2025

Mr. Brian Craig Pressnall, of Roswell, GA, passed away on January 25, 2025, at the early age of 54. After a hard-fought fight, Brian's illness took over. He passed away surrounded by his incredible family and so many loved ones. To say he is loved is an understatement.

He is survived by his loving wife of almost 24 years, Samantha, and his four amazing children – Joshua, Matthew, Tyler, and Gabriella. He is also survived by his large close-knit family. His mother, Pat Pressnall, his siblings – Donna (Mark), Kim, Penny (Troy), Randy (Denise), Darrell (Mindy), Angie (Chris), Bradley (Kellie), Derek, Darci (Jason), father-in-law, Sam Leder, sister-in-law, Jennifer (Adam), too many nieces and nephews to name, and tons of friends. Brian was preceded in death by his father, Richard (Dick) Pressnall, both his maternal and paternal grandparents, and his mother-in-law, Jo Ann Leder. Brian, affectionately known as “Big Daddy” to his friends and family, always had a smile on his face. He never met a person he did not like, and he truly did not have a mean bone in his body. He was always willing to help whenever needed. He had a huge heart and even at the very end he never complained and was more worried about his family over himself.

Brian was an exceptional husband, father, son, brother, uncle, and friend. He loved his family more than anything in the world and did everything in his power to make them feel safe and taken care of. As a husband, Brian was loving, loyal, supportive, and willing to do anything for his wife.

Sports were his passion, and his children kept that passion alive. In his

younger years, to say Brian was a star athlete would be an understatement. He was always excelling in football, baseball, and any sport he tried. Brian was a prominent member of the Roswell community. He gave so much time and love to members in the community through his coaching efforts. Over the years he has coached so many sports - football, baseball, basketball, and softball. Through his coaching, he was a mentor to both his kids and many others. In addition, as his children got older Brian could always be seen sitting in the stands attending and supporting their many sporting events. His greatest joy has been watching his children thrive whether it was academically, or athletically. Brian was always his children's biggest cheerleader and refused to miss a game or any special event unless he had to.

One of Brian's biggest passions and love was for the Georgia Bulldogs. Football Saturdays were his favorite time of the year. Spending time with his family watching the Bulldogs gave him immense joy. It would only be appropriate to end this with:

“ Brian was a true legend. His legend got bigger and bigger with every story told about his athletic heroics At Murphy Candler and DHS. When I was in 5th grade before I had even become friends with his brother Bradley there was a story of Brian hitting the longest home run in Murphy Candler history. Legend had it that he hit the ball over the Major field net, over the Continental field and into the creek at the very back of the park. This story was being passed down years after he moved on from his little league days. Whether it was true or not doesn't matter. Everyone wanted it to be true because Brian was the nicest most humble person on the planet and it was never him telling the stories. He was the best big brother that I never had. Though I haven't spent much time with him in the last 20 years I will miss him greatly and hope we will meet up again in the next life for football, beer and wings. Love you, Brian.

“ Brian is and always will be the nicest of all Pressnalls. I would know because I shared a bedroom with him for part of my senior year at Dunwoody... I saw the best and worst of my second family and I am blessed and better for it. Many will have heard this story, but it's fitting to repeat as it directly speaks to his integrity and good character... After a night of adolescent indulgence I was resting nicely on the big sofa in the TV room when Brian and his not so nice buddies, kori, Danny, mark among others, came home from their adventures and proceeded to “toy” with me while I slept. The antics stirred me to wake enough to realize my bladder was full, and thinking I was upstairs I took the identical route I normally did to relieve myself. Unfortunately this was in the kitchen sink under the microwave. Yes, I made quite the mess I'm sure, however thanks to Brian's quick thinking, and not wanting a bigger “mess” with Pat He cleaned up the evidence, and except for the life long ridicule from those involved no one was the wiser.

*Brian was a menace to the opposing team's defense, but I'll always remember him as a humble brother from another mother who was willing to clean up after me while everyone else just laughed.*

*Rest Easy & Godspeed Big Daddy.*

“ One of my many favorite memories of Brian is him during our UGA game days at my parents house. Wall to wall Pressnall's and no shortage of them outside on the trampoline or playing some variation of sports in the yard. One memory and I am sure many can attest to is that special laugh of his, especially during UGA games. Heat of the game everyone yelling about Bobo's previous 2nd and long run up the middle. I'd always find Brian smiling ear to ear and laughing with us enjoying every second. I am happy that I can hear his laugh and see his smile so clearly!! Love you Brian!

“ I guess my favorite would be that silly laugh no matter what if he laughed you couldn't help but laugh to. I remember he and Kori would order pizza at the apt and they wouldn't go to the door they would just say come on in and make the pizza guy bring the pizza all the way in. When I said something he just laughed.
