

Mr. Brian M. Schriver

December 14, 1974 - June 4, 2018

Dear Friends of the Schriver Family,

As many of you know, Brian Schriver passed away suddenly on June 4, 2018 at the age of 43 leaving behind his wife Kelly and three children, Brenna, Brady and Ryann. In the wake of Brian's tragic passing, the family has received tremendous support from its wonderful group of friends and family. Many people have reached out to the family asking about how they can help support the children and thus we thought it best to provide you with that information so that you have the opportunity to help in a manner that we know Brian would appreciate.

As many of you saw first hand, Brian was a proud father who poured his boundless energy into his children. Brian loved to spend time with his children playing sports and watching their success on the baseball and softball fields. In fact, he often talked about the fact that as much as he loved playing baseball himself, that it was nothing compared to watching his children play the game that he loved. He talked glowingly about Brenna playing college softball one day and proudly showed video of Brady looking like a major league pitcher on the mound at his little league games. If you knew Brian, you knew just how much he loved his children, as he spoke so proudly about them and it was easy to see the joy that he received from being with them. So, we thought it only appropriate that your generous offers of support be directed to the children's college funds, as we know Brian would greatly appreciate it.

In lieu of flowers, the family would greatly appreciate it if you would make a contribution to an account that has been set up by Brian's family to go towards the children's college funds.

Please make checks payable to "1880 Bank" and inscribe "Schriver College Fund" in the memo and send to:

“ I worked with Brian at Randstad Technologies. We were very close
and spoke almost daily. Our business travels had the two of us on
the road quite frequently together and especially here in the last 2
months. Brian was true friend and I will miss him dearly. God bless
Kelly and the family. My heart breaks for the children.
