Dearest Dawn, my heart is saddened at the news of your loss. The love you have for her will never end. I share in your sorrow and pray that one day the pain of losing her will lessen. Absence in the body is presence in the Lord. Brittany Katherine will continue to be in my prayers along with you and your family. I see she inherited your infectious smile and shared that touching many many lives. Take Care, Karren De Bow, former AT&T colleague
