“ *Dave and Bobbie Buffkin shared a Kerr Lake lot with my family for many years. His patience in teaching my bothers and I to fish, water ski, and just enjoy boating on the lake has a memory that we will never forget. We shared many fish fries and camp dinners along with card games and smores. My thoughts and prayers are with his family. Even now, I can see his big smile and hear his laughter. A great father and friend.*

“ *I am so sorry to hear of your loss! It was just the other day I was talking with Mike about the upcoming surgery and saying a silent prayer that all things go within God's plan! Please know that I will continue to keep the family and friends in my thoughts and prayers for peace, understanding and comfort during this time!*

“ On September 10, 2001 - my first day working at the Red Cross in Marietta, GA and Dave Buffkin took me to my first home fire response. He instantly won me over with his infectious humor and rapier wit. I worked closely with Dave as he was a leader on the Disaster Action Team and when he became the team's Captain. He mentored many volunteers (and staff) into leadership roles. Long since our shared Red Cross days, we kept in touch. The most recent conversation, he told me his family from Boston was staying with them while their new house nearby was being completed. I had just had the same experience living with my parents awaiting our new home nearby them! Dave and Bobbie are very dear to me and I am so shocked and saddened to lose my friend. My deepest sympathy to all of his loved ones and the friends also dealing with this tremendous loss.

“ May God give you folks strength and faith in Him. We know that Dave just became another asset in heaven. From CBH in Mobile to Mexico, North Carolina and points in between he spread his humor and can do attitude.

“*Dave was clearly one of the really Good Guys in this world! He was a friend to so many. A quick smile and few funny words were his hallmark. We were blessed to know Dave and his wonderful family for 35 years. From Mobile to Massachusetts Dave made a warm and helpful impression on all who knew him. As a volunteer with the Red Cross, Dave was so giving with support of victims of 9/11 and other major disasters. His love of and devotion to his family was always Rule #1. Heaven just became a little better of an address since Dave moved in.*

“ Dave was a true friend to me and I use the term sparingly. His humor, wit, and counsel I shall miss. So many good times and camp fire memories I have, and will recollect in times ahead.
