“ *Melba and Family,*

We are so sorry to hear about the loss of your father. I can certainly empathize with you since I lost my father in 2001. He, too, was a postmaster and a wonderful man. Who knew we had that in common? I am praying that our God, the God of all comfort, will hold you close in the coming days.##imported-begin##Sid and Janice Hopkins##imported-end##

“ what precious memories i have of uncle carlos...he was the
comedian of the family- the mischief maker with the wonderful loud
laugh that made everyone else laugh. the one who set off
firecrackers at unexpected moments, who hand made presents with
Ann, who never met a stranger. i wish i could have spent more time
with you - but i am thankful for the life you lived and for the love you
planted in your family and with Ann. i am also thankful to know that
you are sitting with Jesus now. bless your precious family. love, jane
