“ *Russell and Chris,*

I am sorry to hear of the loss of your Mom. Carole was a kind, generous and fun human being. I appreciated her many kindnesses toward my family when my parents were ill. She would send food on occasion and she was so consistent sending notes and cards while my Mother was in hospice care at their home (3 years). She shared her energy and humor with me after my Dad passed away in 2017 and again when my Mom passed in 2018... even when she had little energy to spare. She touched my heart. You and your family are in my thoughts.

*Kind regards,
Vicki Kimberling*

I absolutely loved your my mom. She was my go to person when I wanted to know about the people at Christ Church after I left. So sorry for your loss
