“ *We have just returned from Bozeman, Mt., and so devastated by the death of precious Carolyn. She and I were born on the same day at the same time; September 24, 1938. We had such fun laughing about our mutual birthday. We will surely miss that pretty, smiling face! Beth and Bob Hamilton CUC*

“ *I will always cherish the memories of my beautiful friend and will always remember her each time I drive her Mercedes convertible which i purchased from her a few years back. In a visit with her and George for dinner last August, I took her for a spin in her car with the top down. "I love the feeling of the wind blowing through my hair" she said. She will be missed dearly.*
