We will continue to pray for the strength of your family and that you will experience comfort and love as never before! We were so blessed to know Casey and her story and had the opportunity to have met you two on several occasions through the Steeles! Please know that we are mourning the loss of Casey with you, but also rejoicing that her pain and suffering has ended and she is in the arms of JESUS.*

“ *How many amazing memories we made! It's hard to pick just one! I guess what stands out most in my mind is when you visited us for the first time in your wheelchair. We took you to the park and I brought Johnny and June so you could walk them. You were absolutely thrilled to still be able to walk dogs and they both adored you! I know you're playing with Johnny is heaven now and that makes me really happy! Until we meet again Casey! I love you!*

“ Our most fond memory of Casey was the family vacation we took with all of you to Hilton Head, SC in the summer of 2009. Seeing and hearing her laughter was the best. She was a very special girl and will be missed by all.
