“ *So sorry to read about Mr. Cass. He lived across the road from us for a few years on Wills Wood Circle. A funny and embarrassing thing I will always remember; I took them a chocolate pound cake as a "Welcome to the Neighborhood" offering. Later, I learned he was a chef. I was always afraid he'd graded me on it. I never took them anymore food. God bless you in your time of sorrow.*

I'm so sorry to read about your dad, but you got to have him for many years and the Lord wants him now...
May the Lord Bless you.*
