“ Oh my god!!!! Today I received a terrible and sad news, I'm in shock because I wrote several email to my friend Catherine and she never answered me and I thought she maybe was busy but never imagined that she went to heaven.

She was a great woman, mother, wife and excellent friend. I know that, because I shared time with her for two years every day and long hours. We shared beautiful moments, we laughed and cried together but I had to return to my country. My condolence for all family, specially to Rashelle and Mr. Tony. I'll do a mass for his soul and pray that she may rest in peace. Love forever God Bless Mrs. Catherine.##imported-begin##Adda Solange Alvarado##imported-end##

May God provide you and Tony peace and strength to get through the challenging times ahead. As you know we are always here.

“ My dearest Sister. I was there when you were only 3 days old and took care of you as if you were my own. I love you and I will miss you forever. You loved life and lived it to the fullest right to the end. I admired you for that so much. May you rest in peace in God's arms and may Tony and Rashelle receive God's grace to grant them peace also that you are in heaven and now heaven has a new angel.
