“ *Craig and John,*

I was so sorry to hear about the loss of your mother. I have fond memories of her as she was always so sweet and nice to all of us. She was always so even keeled. I never remember her being angry at any of us, but just letting us be kids. We could go to Katy with anything and she was there with an answer or suggestion. I was not able to come to the visitation or the service, and I appologise for that, but please know that I am thinking of both of you and your families at this hard time. Once again, you have my deepest sympathy.
