

Mrs. Catherine Booth Morris

December 5, 1954 - March 26, 2017

After an eight month courageous battle with cancer, Catherine Booth Morris went to be with the Lord on Sunday, March 26, 2017 in Atlanta, Georgia at the age of 62. She leaves behind her loving husband, Steve Morris; her sons, Andrew and Timothy Morris; her daughter, Meghan Gavrilas; and her granddaughters, Emery and Piper.

Catherine was born on December 5, 1954 in Detroit, Michigan to Arthur D. Booth, Jr. and Ellen Reno Booth. She grew up in a large family with two sisters and one brother. Her family relocated to Port Huron, Michigan in her early years and then to Clearwater, Florida while she was in high school. She graduated from Clearwater High School in 1973.

In 1976, she married her husband in Atlanta. After moving to Clearwater in 1979, they welcomed their first born, Andrew, into the world. They moved to Orlando in 1980 where their second child, Meghan, was born in 1981 and third child, Timothy, in 1982. Once again, Steve's career moved the family to Ocala in 1989 and finally to Roswell, Georgia in 1998 where Catherine lived her remaining years.

Catherine was a vibrant, happy person who could lift anyone's spirit and light up any room she walked into. She excelled at making everyone around her feel better for having been in her presence.

Perhaps best known as a very devoted mother and wife, she absolutely lived for her family. To her, there was nothing more important in life than her family. She loved being near the water and the beach. Catherine enjoyed the simple

things in life like baking cookies for her family, watching the Gators with her husband and sons during college football season, and meeting for a girl's shopping trip with her daughter and granddaughter. She was each of her children's best friend and confidant and also her granddaughter's favorite playmate. There's no doubt she was the best mother anyone could ask for and she will be missed every day, but she will live on in the hearts of her loved ones forever.

Catherine's funeral will be held on Wednesday, March 29th at Saint Peter Chanel Catholic Church in Roswell, Georgia at 2 p.m. All are welcome

“ Came to know and love Catherine at Crabapple Middle School. She was a bright spot and cheerleader for kids navigating those special middle school years. Catherine was a loving coach with STAR House Foundation, and lifted countless children and their parents throughout her career.

“ *Catherine was every reason to smile. Every time I ever came to the front office, Catherine made me laugh, shared something bright, and encouraged all the good things. She had a terrific sense of humor and was such a fun part of our school. I never passed her that she did not give me something to smile about. She is terribly missed and there'll be a hole that can't be filled; she will always be hugged tightly in our thoughts and memories.*

“ What can I say that hasn't already been said by so many others? Catherine was a wonderful, sweet person who went above and beyond for everyone she met. She always had a smile on her face and time for a conversation, even during the busiest of times in the office. She knew all of the children, all of the parents, and all of the staff. I always enjoyed popping in the office because I knew I'd leave there with a laugh. She always took the time to ask about my babies and share in the joys that I had with raising them. We will miss her dearly but know she is in a better place, pain free where she can watch over everyone with that big smile on her face.

“ *Meeting Catherine at Roswell North was like having an instant friend with the brightest smile. I have thought of her so often in the years since my children finished there, always with fondness. It's heartbreaking to hear of this news. She truly made an impression on my family, for which I'm forever grateful. She inspired me in the way she loved her family and cared daily for others. My heart and prayers go out to her family.*

“ I remember when Catherine first started at RNE. She fit right in with all of the craziness and always did it with a smile. She was the one who encouraged me to apply for the job I have now. Just this summer she helped me set up my office. We had big plans for this school year working together. I'm so sad we never had that time together. I am so sorry for you loss. She was a special lady. Love you Catherine!

“ Miss Catherine, along with Miss Libby, was the face of RNE. Working with her for 8-9 years as a parent, a volunteer, a sub and a full-time co-worker, Catherine was always so generous with her wealth of information on all things school-related. Also, when an item was delivered to the front office for a teacher, she would hand-deliver it anywhere in the school. She always went above and beyond, with a beautiful smile on her face. Miss Catherine, you are truly missed everyday.

“ Truly an amazing lady who will be missed greatly by many in our close knit community. She was a welcoming presence at the RNE front desk, was a huge support and became a close friend when my children and I went through a very difficult time. You could always count on her for a great smile, an understanding ear, and to tell you like it is was...and for that she will be remembered fondly and with love. My heartfelt prayers go out to her family - may you take comfort that she is at peace and whole in the arms of angels.

“ I have been blessed to work with amazing people my entire life. One of these blessings was working side by side Catherine, also known as “Mrs. Catherine”, for the past 8 years. We literally worked within 5 feet for each other, 190 days a year for 8 years. It’s easy to assume that working so close to someone that you might become sick of each other. Thankfully, to my knowledge, this never happened. I will miss Catherine for the rest of my life. As we never got to eat lunch together during those 8 years, we have some unfinished business....weekday brunches together. Until we meet again my friend. You are out of pain and have won the battle that counts the most....life everlasting. You are another one of our angels in heaven. May God Bless and be with your dear family during this very difficult time.

“ I met Catherine several years ago at Roswell North Elementary. As the years progressed, we worked closely together with registration and student records. We worked so close that we would fight like sisters over what now seems totally ridiculous! In spite of it all, we always found time to talk about the love we have for our children, growing up Catholic, and oftentimes hoisted each other up with prayer and pep talks when life got crazy.

Steve, Andrew, Meghan, and Tim, may happy memories replace the sadness in your heart!

Peace & blessings,
