“ *Chance Hayden was the most amazing, beautiful hilarious and kind young man. I loved him with all my heart. His Mom is my best friend. She is an amazing mother to all her children. Chance was such a bright light. Please pray for his mother and siblings and family. Please pray for Mike too. This was a tragic accident. I need people to understand this. It was a horrific, tragic accident.*

*The bond that Chance shared with his mother was the most beautiful relationship. Chance was his mother's best friend. She was his best friend. She is an amazing mother and human being. I've never sent such a connection between a mother and her son. Chance will be sorely missed. Chance was an original .an original in the best way. Just like his beautiful Mama.*
