“ This is one Momma I adored❤️ Always loving, always had a positive outlook on life. She and my brother raised 3 amazing boys all of which I wish could have been raised here in TX! I will keep the candle going in your memory and I pray that God will provide guidance to my brother and his sons in this difficult healing process. Even though the miles between our families, I was always so happy to see your face. Sending prayers and guidance. I love you and you will be missed is an understatement ❤️🙏❤️🙏❤️🙏 RIP Beautiful 🥹

“ I have two favorite memories of Charlene. The first is hanging out in Atlanta with her, Keith, Timmy, Adam, Josh and Jake. There's nothing more fun than 2 moms and 5 boys ages 6 - 10. It always amazed me how Charlene could smile and tune out the boy's chaos!! The second is the support she offered after my cancer diagnosis last year. Care gifts and calls and lots of love and laughter...who could ask for more. I'm happy you're in heaven looking out for all of us! Love you...Santa

“ Charlene always had a smile and spread sunshine wherever she went. A trip to Atlanta was a joyous celebration because Charlene was the perfect hostess. She was an amazing cook and went out of her way to make me feel welcome and comfortable.

I will never forget our trip to Marietta Seafood Market ... Death by Chocolate.
