“ *I am so sorry about your Dad. I am presently out of town and could not attend the visit or the funeral. I certainly thought a lot of him and enjoyed speaking with him at church on Sundays and being a part of the Senior Dinners.*

“ Carolyn and Skeet and my parents were best friends and travel companions all their married lives. It is hard to believe that all four are gone now. Skeet served his family and community well and will be missed. God bless Melanie, Craig, and his grandchildren. ##imported-begin## Jerry Christopher ##imported-end##

“ Just a note to let the family know how much I admired Skeet. It was a pleasure to work with him as a member of the Alpharetta City Council and to just be friends with him and Carolyn. We had some fun times, sad times and lots of rewarding times. Skeet loved Alpharetta and the North Fulton Community and dedicated many hours of service to the community to be sure it developed into the place we could all be proud of. He would drop by city hall to see me and talk for a long time about what was happening after he was no longer on council and always wanted advice about the candidates that were running for election in Alpharetta. You can be very proud of how much he loved his family and always wanted the best of you. I am very pleased that I can say that we were friends and I will always remember our talks and laughs we shared. I know that you have many fond memories and that is what will get you through this great loss. Our memories of our loved ones can never be taken away.
