“ Charlie was one of a kind... He is what I call a game changer.. He had this innate ability to see the potential in another before they even knew existed ... To say I am grateful for knowing him is an understatement ... There are not many times in this world where you meet someone that is so giving of themself... And truly wants the best for you!!!

I .. Feel very lucky that our paths crossed and I honestly feel blessed I was able to be his assistant for 14 years ... I learned so much !! Not just in my job but I learned through charlie's teaching that all you have to do is believe in yourself !!!

I remember one day I saw he had this sign on his wall ... It said teach a man to fish ... I didn't understand it then..

But today I do.. He taught me how to fish .. It's because of his teaching I'll survive in life ... Because once you learn how to fish .. you have found belief in yourself ...

I will for the rest of my life be thankful to Charlie Gerding.. He was an amazing person... A wonderful boss ... But after 14 years ... He was my friend ... My heart goes out to Haydee and his boys ...

I miss him... I will apply everything he taught me in life ... Because I know if I can offer another some of his wisdom ... He will live on forever !!!!

I truly believe Charlie was an angel to many ....

RIP... Thank you for being you .. You truly made this world better!!  
And you are so very missed.....

Charlie was always helping someone wheter it was family, friends or co-worker, I had the pleassure in working with him and with out people knowing that we were related when I first started at Wells all they talked about was how good of a boss and person he was. Charlie my brother in law, I will miss you dearly.Enjoy heaven, you deserve it.

“ *Charlie gave me my first job in the mortgage business and I knew NOTHING. I called him everyday and asked him what the rate was a specific loan. He would say "pull up your rate sheet and I'll walk you through figuring it out". I would say "just tell me what it is!" He would say "give man a fish.." I worked with him in various capacities for 10 years at Wells. He was one of my all-time favorite people. He was kind, caring, smart, smart, smart and just SO MUCH FUN! I'll never forget him and everything he did for me. My sincere and deepest sympathy to Haydee and the boys. You will be in my prayers for years to come.*
