“ *My name is Betty Laster. I was a good friend of Dr. Goodwin. I live in Indian Land SC and charlie and I use to met in Greenville, SC for ;inch and fantastic conversations. I was really interested in his knowledge of Greek and other subjects. We were both children of pastors and had a lot in common. Of course this was after Shirley passed away. He loved her dearly as well as his children. I am saddened to read his obituary. I've lost a dear friend. If we had lived closer, we would have visited together much more. We talked for hours on the phone sometimes. My sorrow is great.*

“ *I am very saddened by Charlie's death and very surprised. He never failed to stop and talk with me, nor me with him, when we were outside walking and he was my favorite person in the neighborhood, always had great stories to tell me about his work and always had a lot of men & women standing around on his sidewalk talking with him. He was very popular. I will miss him greatly and ever more sorry that I cannot attend his funeral. I am scheduled for cataract surgery at that time.*

“ *Tylene,
My memories include him coming to Longview to visit Mom and Dad, and Dad taking him out to the Farm, I went along for the ride, and obviously Charles David went for the fellowship with my Dad, not to talk cows and hay grasses..*

I will miss Charles David as he quickly and graciously responded to my many questions concerning wording of Scripture, and also information on your grandparents (Goodwins) as we compared our upbringings growing up in similar circumstances.

He will be missed. Grace and peace to you, Andy, and Tim.
