“ We have just learned of Charles’ passing. It is with heavy heart that we send our deepest condolences to his family. We have known Charles for many years. He began servicing our Lawrenceville home pest control in the 1980s. He always took the time and interest in communicating with us on a personal level. Charles knew he was always welcomed to a refreshing soda from our refrigerator during his monthly visits. We remember experiencing his loss of Diane and our own mother within two months apart in 2013. Certainly a sad time for us both. Charles was a kind and gentle man. We will always cherish his years of service and our fond memories. May GOD bless his family with love and cherished memories. Rest high on that mountain dear Charles. 🕊

“ He was my big brother until I was 13yrs old then we moved to Dalton. GA. WHEN climbing a tree an afraid to get down he would climb up to get me. He was always pertective.
