“ It is with great emotional sorrow that I read that Chuck had Passed. We worked together at Bunge in Illinois from 1989 until he retired and He was always supportive of me. I was part of his weekend golfing group that played in cold, rain, snow and good weather too. The smiling happy golfer I knew for so many years is how I will always remember Chuck. My deepest sympathies go out to the family.##imported-begin##Haywood F. Solomon##imported-end##

“ I was sad to hear of Chuck's death but know that he is now free of pain and safe in God's care. While its been a long time since we worked togther, I have many good memories of those times. There is no doubt that, during that time, Chuck conibuted more than anyone to my and the companies success. There was no one more reliable and with more integrity than Chuck. He was more tha a fellow worker, he was a good friend. Know that Loretta, family and friends will miss him, but he will be happy hitting them straight in heaven.
