“ Hi everybody, Sorry for your loss! I know what it is to lose your father. Does this ## mean 33? i see people posting this. 33 is Jesus. I am the direct bloodline of Jesus and I met woody's parents a while back. They were kind to me. So ## says 33 to me. My name is Linda. How come you all didn't just put 33 the number? I learned about your family a lot more recently. What does this mean to you? ##imported-begin## ##imported-end## Does end mean short for indian? Linda use to be afraid of the indians. At the nursing home she was afraid. Anyway I was thinking about woody's dad and It brought me here. Praying for you.

“ I am sorry to hear of your loss. Please accept my deepest sympathies. Death is a horrible thing to go through, yet we have a hope from the Bible of a resurrection hope. Our loved ones who have died will be brought back to life with the same personality as Acts 24:15 states. We will all live forever on earth. I hope this thought brings you comfort and hope during this time. Please accept my deepest sympathies.##imported-begin##D

“ If it's true that a man's children are his reflection, then based on what I know about Russ, Mr. Bagwell must have been a fine man. My family and I will be praying for yours during this difficult time and we know that God will work all things for the good of those that love him and are called according to his purpose. We will one day join our loved ones who die in Christ, and know a joy that is impossible here. God bless you, comfort you, uphold you and keep you, Amen.##imported-begin##Brad Brannon##imported-end##

“ Charlie was like a Dad to me. He gave me my first job at Roswell Bank while I was still in high school. He was kind hearted and had a gentle soul. I am still in banking so I guess he did a pretty good job training me! I used to see him at the bank in Roswell when he worked for Jim and he always made a point to ask about my family. I know that he will be missed. May your memories comfort you during this time.##imported-begin##Karen Guthrie

“ Dear Family, Please accept my deepest sympathy in this difficult time. None of you know me, but my family and I lived directly behind the Bagwell family in Grove Park. As kids we grew up together. I knew the whole family and was not aware that all the Bagwell family is gone. The family invited us kids to watch wrestling and Uncle Miltie on their TV; obviously the first TV in our neighborhood. I have many happy memories of that time. My thoughts and prayers are with the whole family.
