“ *Jeannie, I am sooo sorry that I didn't know about your brother. I would have been there for you and your Mother if I had known. We have been so busy with Ted's mother. She fell last Thursday and broke her leg and her Pelvis. I guess we have been so tied up with that. She is still in the hospital in Cumming.*

*Please forgive me for not being there for you. I will always love you and just wish that I could that I could have been there! Love to you and your family###imported-begin###Edie and Ted Stewart###imported-end###*
