“ *I just today heard about Charle's passing. Martha & family, we all were together so much of my teen/20s yrs. Sometimes for weddings, Charles would play & I would sing...did some funerals together also. I know you will miss him greatly. I pray that God will be standing close to you during these trying days, weeks, all still to come. . Dot Barrett Powell now living in northwest Cherokee County.*

“ *Charles was my Sunday School teacher for a brief time when we attended Northside BC. The last time I saw him was shortly after my Dad passed away. Mom had wanted to attend Harmony Grove BC that morning to hear him preach. He and Martha saw as we came in and was so glad to see us. He and Martha talked to Mom at length because of Dad's death being recent. I never forgot how he took the time after church to talk to her. I used to joke with him about his "pew walking" skills when he preached and he would just laugh. I was glad I got to know him and my condolences to Martha, Danny, and Dana. As my Pa Paw used to say from the pulpit any times. "It's only rough from here to the cemetery. But once you come out on the other side, it's smooth sailing". God bless his memory.*

“ We send our heart felt condolences to your family. Tommy and I have special memories of you Martha and of Charles. Memories of when our family (Burnett Family) were in church together or in our home. Charles taught my sister Peggy piano lessons many years ago. We will carry these memories and love with us until we all meet again in Heaven.

Since I was a little girl, I have kept the name of Rev. Charles, the man of God who was my sponsor through the International Children Care Ministry in DR Congo. Today I have grown up with a permanent desire to see that man of God and speak to him for show my gratitude. I was just a little child, a little girl whose parents could not be able to pay for my studies but thanks to the support of Rev Charles I finished my primary and secondary scool and part of the university
