“ *Dear Franna and Dale,*

It broke my heart for you and your family to have lost your Chase. I remember him as a little curly-headed boy running around the house, into everything! I know the pain you feel is overwhelming your senses. I also know you would not trade this pain to have never had him in your lives, even for so short a time. I am sending you love and would love to see you whenever you feel able to do so. Again, I am just so, so sorry.

Love,

Barbara Laughlin

“ I am deeply saddened by Chase's passing. Gone too soon from this world but I know he's in a better place now. I am honored to have had the privilege of working with Chase at BidPal over the last year and have learned what a great person he was in the short time I knew him. He will be truly missed, always remembered, but never forgotten. My thoughts and prayers are with the family and loved ones in this time of grieving and I send my deepest condolences to all that knew Chase. I am so sorry for your loss and will pray for you and with you in this troubling time.

“ His passing is still so hard to comprehend. Chase was an amazing young man who has left way too soon. We at BidPal will miss him greatly. He was smart, ambitious, friendly and everyone who worked with him enjoyed his presence. Our thoughts and prayers are with you.

“ *JNR Trucking Company enjoyed working with Chase this last year with the Bidpal equipment that left our warehouse. He was such a sweet young man with a smile that was memorable. Mother Teresa said peace begins with a smile so we know Chase is at peace. May the memories of Chase help you find your peace. Your family is in our prayers. We will truly miss seeing him walk through our office.* ”

“Frana, I am Taylor Bone's Aunt Cheryl and am so terribly sorry for your loss. My memory I would like to share is of Chase and Taylor coming with Lynn for a visit to our farm in Kentucky one summer. We were keeping our son's new Corgi puppy at the time and she was sleeping in her crate at night. The boys thought she was so cute they slept each night on the floor beside her crate with their heads inside her crate to be close to her. I will always remember their visit and that will always be my sweet memory of Chase.
