“ Hayden was my best friend. I am truly grateful for every moment we got to spend together. Every FaceTime call while I was away, every hangout we could sneak in when I came home from college, and of course all of the countless memories we made together. My favorite thing about Hayden was how passionate he was. I loved hearing him talk about boxing, his music, his heritage and it always brought me so much joy to hear how passionate he was about these things. It was always inspiring to me.

To Mr. Dennis, Mrs. Clarissa, and Alex I offer my deepest condolences. I am so sorry for your loss and I will always keep you all in my thoughts and prayers.

Much love,  
Will Kenyon
