“ *We were such wonderful friends. We had such memories shared with our children and ourselves. I've never met another person who is so full of life and so loving. I miss her every day, I will always remember her smile and her laugh. She was one of my truest of friends. She always loved me no matter what*

“ *When I met Christian I thought she was crazy, but as I got to know her and seeing her walk her dogs and them pulling them every which way it was the funniest thing I had ever seen. then I saw her with her son, and she loved him and was so proud of him, and she loved Jacob s perfectly , then I realized she was not crazy she was just a good happy person who loved life, I know she was my friend and she will always be in my heart.*
