

Christy Goar

February 6, 1970 - May 21, 2024

Christy Goar, age 54, of Woodstock, Georgia passed away Tuesday May 21, 2024

peacefully with family at her side after a fearsome courageous battle with cancer..

Christy was born in Landstuhl, Germany, the daughter of Colonel Larry Goar and

Dee-Sharon Goar.

She moved around the country as an "Air Force Brat" developing that outgoing

personality and a love of people and travel. She played soccer but her father instilled in her a love of all sports. She was a loyal fan of FCS sports, but also FSU

football, Atlanta Braves, the Falcons and Atlanta United.

Christy graduated college with a degree in elementary education which was her God

ordained calling. She absolutely loved teaching at Fellowship Christian School over

the last 20 years. She had a beautiful way of connecting with children and their

parents. She had the gift of eliciting respect while showing complete tenderness

and love to "her kids". She was able teach Bible (and her other subjects) in

such a practical way instilling integrity, love, compassion and true character in generations of students.

That Christy loved God was obvious in the way she lived her life. Christy had a generous compassionate heart often giving sacrificially to family and friends, whom if you know Christy, was everyone she met. She was salty, fun and filled with such light that it radiated out of her eyes and infectious smile.

She loved her family and considered them her best friends. They traveled the world together. Went on mission trips together. They loved playing cards, dominos and working puzzles together. She was a dog whisperer and adored her long haired dachshunds as well as many pets in the community. She cared for her ailing father with great patience and tenderness. She was the rock and guiding presence to the 2 boys she helped raise; but also the soft hug and redeemer.

The celebration of life for Christy will take place at ten o' clock on Saturday June

1st, 2024 at the Fellowship Bible Church at 480 West Crossville Road Roswell,

Georgia. In lieu of flowers, feel free to donate to The Christy Goar Endowment at

“ I meet my sister Chrissy at Piedmont Medical Center when she first started her battle with cancer we encourage one another we pray for one another and checked on one another. The last I heard from her she was trying another trial to see what could subside with the spreading of the cancer, but she had a beautiful spirit and her faith never wavered so I know that she is Rocking in the arms of Jesus right now we are going to miss her and I know that her family and friends are going to miss her. She was a very loving person.

“ I was blessed to know Christy for the past 17 years! She didn't know a stranger, and she blessed everyone that knew her!!! She loved the Lord with all her heart, and she faithfully carried out his command to love others! I am a better person because of Christy! 💕💕

I have so many wonderful memories with Christy:

*She taught my daughter, Madison, 5th grade Bible and history
We taught together at Fellowship for 14 years...the last few years we taught 5th grade together.*

We did dress up days at school together

Space Camp...even on my scooter when my foot was injured

Hanging out at her pool in the summer because mine didn't have one (again...selfless...she didn't really like to go to the pool 💕)

Teacher discount nights at Movie Tavern

Trips to her sister's lake house

Paying it forward was one of Christy's favorite activities

Helping me through my divorce

Helping me write a profile for match.com

Helping to screen my dates 🙅

Approving my husband 💕💕

Helping with my daughter's wedding

Helping with my wedding

Visiting Every one of our students during Covid quarantine

Helping to decorate my new classroom when I moved to Villa Rica

Being my "go to" person when I needed advice about anything! She gave the wisest advice of anyone I know...but only if you asked for it!

I was so very blessed to call Christy "friend!" Although I miss her more than I can begin to express, I take comfort in knowing that she is healed now, and I will see her again one day! 💕🌹

“ *I had the privilege of working with Christy the last eight years at Fellowship Christian School. My first two years at FCS, Christy and I worked together on the fifth grade team. She was a wonderful colleague, welcoming me and introducing me to families and the school culture. We created some special memories that I will always treasure: Space Camp, football games, cheering for FSU, dinners at Mexican, and so many more! Christy was fiercely loyal to her students, friends, family, and mostly her faith. I so admire her for that. I miss her, her smile, and laugh but I know she is singing and having fun in heaven. I can't wait to see her again!*
