“ *Richard and Tiffany, I'm so saddened to hear about Christy. She was absolutely the best boss I've ever worked for. I'll always remember her passion for work and striving to be the best. I'll cherish my memories with you and Christy on your boat and all the fun we had at Burger King Corporation. She was an inspiration to so many. My thoughts and prayers are with you and your family.*

“ *I worked with Christy for about 15 years. I was the Director of Marketing for one of her franchisees. I really enjoyed working with her and Christy was a very kind person - always had a smile and without a doubt when it came to her job, she was one of the most knowledgeable people I knew in the business - she always had an answer for me. I left Wendy's in September, 2007 - but I will always remember Christy. My prayers and thoughts are with her family.###imported-begin###Judi Hall###imported-end###*
