“ *Cindy, this world is truly a better because you here. You had a hand in helping so many people and I know you will now get to enjoy the tresures for doing so. Thank you Lord for blessing this place with this woman, I pray for her loved ones that mourn her. Please be with them and comfort them. I thank you for the positive impact her life left on this earth. May the ripple continue to touch people to "pay it foward" and always remember "there is another option".
Amen*

“ I did not know Cindy but she has two amazing children. Lona and Eli have been there for me and my kids thru the years. They have helped me move, borrow a car when mine was in the shop, or most importantly lend a shoulder when dealing with crazy teenage drama and the loss of my own mother last year (Billy, Corey and Zack also where pall bearers for my mother). We may not talk everyday but if you need anything I am always here for you guys. My family is praying for you guys.

Love,
