“ *Even though we lost touch so many months ago when she went into the hospital and I went out on leave, I was always thinking of you both. I was so saddened to hear of her passing. Because I saw her strong faith in God every time I came to the house, I know she is in a better place and rejoicing with the angels even now. My thought and prayers are with you and your daughters through this time of grieving and sorry. Please call if I can ever help with anything. I love you all,
Pam Kimbrel, RN - her nurse when she was at home.##imported-begin##Pam Kimbrel##imported-end##*
