“ *Dearest Archer/Williams family, Nana will truly be missed. Her spirit spread sunshine throughout the entire room when she walked in. Her smile lit everyone else's smile right up. She was a very special person that warmed my heart everytime I saw her. It was truly a blessing to have known her and to have her as a part of my life, and without you guys, this would have never been possible. Thank you for bringing such a special person in my life...and just remember...she is finally home, and you will see her again some day. With love and prayers, Kristi Flynn##imported-begin##Kristi Flynn##imported-end##*
