“ *I have known Cleve since we were college roommates in 1952. He was a great guy. We were out of touch for several years, but got back together, and have been in touch ever since. We used to go to the Crawfish Festival in Breaux Bridge,LA. We have visited each other at our homes many times. He had remarkable memory for dates & numbers.###imported-begin###Frank Haining###imported-end##*
