“ I knew Colleen for our entire lives (starting as kindergarten classmates). She was one of the most beautiful women I have ever had the pleasure to know and had a dazzling smile, laugh, and kind disposition to match. Over the years since she left Houston we were fortunate to meet at several school reunions, and she never changed. She was so much fun!! I was also fortunate to get to know her parents when I moved three houses down from them in the 70s, and we attended the same church (St. Anne) for many years. The Ratcliffs were an outstanding family loved by many.

I am attending a memorial service for recently deceased school classmates on Sept 25, and Colleen will be included among the honorees. My prayers and many fond memories of this delightful woman and her family will be there with me.

Colleen, may you rest in the eternal peace you so deserve.

“ Colleen and I have been friends more than 20 years. She is the bright and energetic Spirit filled with knowledge, Ideas, experience, thoughtful advice, a love of dogs and a hope and zest for life always present in her expressions, enthusiasm, and wise counsel. She loved to share her own stories and talk about the family she loved so much. She will be there in my heart at Book Club, scrabble and always when I'm in the garden. My heart goes out to Bill and their children and grandchildren.

Colleen and I were not close friends, but I remember her well. She was as beautiful on the inside, as she was on the outside. She always had a smile on her face, and she was nice to everyone. She was a one in a million girl. My deepest sympathy to her family and close friends, who I know are devastated by her sudden death. She was an angel on earth, now an angel in heaven. RIP Colleen.
