“ *Kerry, Julie just told me the bad news and of course I'm sorry for your loss, and also your sibling's loss. You've already been through this, years ago, so I guess you know the drill "power through it" I only met your mom one time and met your dad one time as well. I remember my dad saying that "...as you kids get older you'll go to less weddings and more funerals..." This is life ain't it? My condolences to the whole family and I think I can also speak for my daughter Maggie.*

“ *Kerry, Edgar, Luis, Edwin et al:*
I'm so sorry to hear about your mom. I can't imagine how you feel. Our entire family is keeping you in our prayers and thoughts. I think Consuelo managed to raise a great bunch of boys. You should be very proud of your wonderful mom. She was a gentle soul.

“ Hi Dad. I am very sorry you are sad. Even though I did not get to see Grandma Consuelo a lot I love her very much and I know she is up in Heaven watching over us. She is now out of pain and a guardian angel. I can't wait to see you this summer and I will talk to you soon.##imported-begin##Maddie Rose##imported-end##
